AORC ROUND 1 & 2 – FINAL INSTRUCTIONS

REFUELING

Enviromats must be used when replenishing any fluids, penalties will apply for non-compliance. Refueling only in designated refueling area. (Penalty is up to exclusion).

All riders must dismount from the bike before refueling and engines must be stopped.

ENVIRONMENTAL:

ENVIRO MATS must be used when refueling – Enviromats Minimum dimensions will be at least equal to the wheelbase of the motorcycle and of the width of the handlebars. Mats must be positioned under the bike to catch any fluid spilt. Enviro mats available for sale \$15.00 at sign on.

As per the GCRs **the use of goggle tear offs at off-road events is banned** as they are not biodegradable and are harmful to the environment, native animals and stock.

Sound testing may take place as per the 2022 MOMs Section 11:15 and appendix C

If any rider is sound tested at the completion of their race/lap and fail the noise test they may be penalised by relegation of class position or excluded as per MoMS.

CANTEEN:

Onsite Catering: Canteen will be available for breakfast, lunch and dinner on Saturday & breakfast and lunch Sunday.

COVID SAFE EVENT:

If you have been sick or are feeling sick, please do not attend the event.

Social distancing and Qld COVID regulations are adhered to.

Electronic registration Rider sign-on and COVID sign-on will occur at this event. Please ensure you have your race license with you or your digital copy ready for sign-on. COVID sign-on is via the "Check in Qld" App as is compulsory for this event so please download it prior at your app store.

RIDERS BRIEFING (is COMPULSORY) –

All riders (parent or guardian if under 18years) must attend, there will be a random roll call, and any competitor not present will be fined. ALL Riders must read the AORC Rounds 1 & 2 2022 Riders Briefing Notes on the AORC Website prior to attending.

Riders Briefing is a NO SMOKING area.

RACE FORMAT:

Saturday and Sunday will both be a Sprint format.

When racing over two tracks the below will apply:

Where one sprint race is timed over two or more tracks - Riders will start on track 1 and complete the first timed loop. They will then travel via an untimed transport section to track 2 where they will commence the next timed loop after an interval time of, 15 sec/30 sec/45sec as determined by the CofC. Riders may enter the pits between each timed track without penalty however they will lose track position and must position themselves behind any rider that passed them while in the pits prior to starting on Track 2. Once all riders have completed Track 1, a time limit as determined by CofC will trigger the closing time of the start of Track 2. Any rider who has not started on track 2 prior to this time will be deemed a non-finisher. A rider must complete both track 1 and track 2 to constitute a completed heat/race. The same principle would apply for any additional tracks.

COURSES & TERRAIN:

There will be four specials tests consisting of are natural terrain including creek crossings and grass tracks labelled as per below :
